

It is with extreme disappointment that we will not be continuing our delivery & pick up service after tomorrow.

We would like to extend our massive thanks to all of you that have given us so much encouragement, hope and support in this difficult time.

The continued upscaling in severity of the Coronavirus means that the health & well being of our team is in jeopardy and following The Government announcements yesterday, it has become clear that for our brilliant team of staff to benefit from the generous state funded aid, we cannot continue to trade.

We will continue with our Crowdfunding venture, supplying the Drumchapel Foodbank and Young Peoples Futures in Possil for distribution across North Glasgow to those in need, several times a week on a voluntary basis for as long as we possibly can with very limited people on site.

We will look forward to welcoming you all back to The Gannet when we are safe to resume trading.

Thank you so very much for all your custom & well wishes. Please take care of all your loved ones and stay as safe as you possibly can until this situation resolves itself.

All the very best

Peter, Ivan & Kevin
